Property Details

Welcome to beautiful Casa Jaguar, a brand new 3 bedroom, 3.5 bathroom home in the gated community of Rancho Villa Real. With 2716 sq ft under the roof on a 0.43-acre lot you'll have plenty of room for hosting and sharing the indoor/outdoor living Costa Rica is famous for. This tropical home was built with high-quality materials and boasts a modern design that seamlessly blends with its natural surroundings. Amidst large local majestic trees and walls of palms, this home is sure to delight! Entering through an oversized teak swing door, you are greeted with a large open area. Here you will find an open-concept living room, dining space, and kitchen. It is bright, and white, with teak beams on a vaulted ceiling, and opens up to a covered veranda that has an outdoor kitchen and plenty of lounging space. The home comes fully furnished with custom-designed local furniture including a gorgeous round Guanacaste dining table.
