Property Details

This ocean view is in a prime location just far enough away from the hustle-and-bustle of Santa Teresa yet still with quick access to Santa Teresa's beautiful beaches. Whether you are looking for a place to build your dream home or a vacation rental home, this lot is an ideal choice. This ocean view property measures 2,444m². It has a gorgeous ocean view south towards the Cabo Blanco Nature Reserve and a blue water ocean view towards sunset. There is a good size flat area at the top of the property as well as some sloping areas where you could build stilt structures into the hillside. The property is zoned as a commercial and residential property where you can build multiple structures up to 75% of the property footprint and up to 2-3 stories in height. There is a registered well on the property which means that building permits can be obtained easily. Electricity and high-speed fiber optic Internet are available.
