Property Details

House magnificently located in one of the best residential areas in Heredia, with excellent security and in a peaceful environment. The house has a garage for two vehicles on the first level with an electric gate and metal curtains. Going up the stairs we find a guest room, a half bathroom, a large space for a dining room and then the living room where we find a beautiful fireplace and large windows that open onto the terrace. The kitchen is independent and has very good space. It has a large laundry room and clothesline as well as a utility room with its own bathroom. It is important to emphasize that the house is surrounded by gardens. On the second level of the house there are two large rooms with their own bathroom, one of them with a walk-in closet and a balcony facing the street and the other with a closet, there are also two other very comfortable rooms that share a bathroom. The second floor has a large multipurpose room with a balcony and also a beautiful coffered ceiling.
