## Property Details

Nice house is on one level, very comfortable and in an excellent location. It has a garage for two vehicles, with an electric curtain-style gate and has a small front garden. Large dining room with integrated kitchen. The kitchen has modern furniture and quartz countertops as well as an island that is used as a breakfast area, it comes with a conventional oven, a microwave oven, a four-disc template and a grease extractor. In this house we find four bedrooms, the main one has a bathroom with a double sink and a walk-in closet. A room with a private bathroom and two other rooms that share a bathroom. We also find a multipurpose area that can be a TV room or office. It has a very good size laundry room and there are two light-filling rooms that provide good ventilation and natural lighting to the house. This house is approximately 35 years old, however it was remodeled in 2019 and has been very well maintained. The floors are ceramic and the skies are made of gypsum.
