Property Details

A 1-bedroom home PERFECT for a couple or an AirBnB rental – plus a HUGE jungle backyard with a year-round river and many magical swim holes – and a lot of flat land for further development! Sitting on an 1.2 acre lot and already a successful AirBnB house, this home includes all the comforts of modern living in a perfectly executed compact design. Placed at the border of civilization and jungle, the house faces a big open front lot and backs into the buzzing rainforest – but civilization is just moments away as this property sits in the famous jungle town of OJOCHAL! The ascending driveways terminates at a carport which is attached to the house, ensuring an always-dry passage. The entrance is located at the back, adjacent to the beautiful timber patio which looks straight into the forest that descends towards the nearby river valley. The ground level includes a fully equipped kitchen, bathroom, and laundry/storage room.
