Property Details

If you are looking for one of the best views in the area, Casa Maverick is the property for you. Situated in a coveted location with paved access, this 2-bedroom, 2-bathroom home boasts unparalleled ocean views that will take your breath away. Tucked onto a picturesque hillside, this two-level home offers multiple spaces for taking in the beauty of the surrounding nature. A spacious covered patio is really the heart of the home, and it leads directly into the kitchen and living area, making entertaining a breeze. This is where you'll spend most of your time, sipping your morning coffee and hosting unforgettable gatherings in the evening. The pool area features an additional seating area. One bedroom, a bathroom, utility room, and a bonus space are also located on the first level. Upstairs is a primary suite with a fantastic private sitting area office space that looks directly onto the bay of Playa Samara.
