- Cable Satellite Tv
- Ocean View

Property Details

This large parcel is just two minutes to the white sand beach of Playa Blanca. The area is developing rapidly as a popular tourist destination, and still a simple village of fishermen and farmers. Ocean watersports abound and the best fishing in Costa Rica just off the beach. The property includes several easily accessible building sites for upscale vacation homes or hotels. The price per meter is only \$7.50, the lowest by far in the area. Please come and see for yourself the many possibilities for this property.
