Property Details

Exciting commercial opportunity awaits in the heart of Nosara Town! This 2.5-acre (10,000m²) property boasts a level terrain and a rectangular layout. Conveniently located next to the Nosara Airport, it enjoys daily services from both national carriers and various charter flights. Distinguished by its distinctive container structures, the property offers versatile possibilities—whether integrated into the project or utilized for storage during construction. With its generous open space, this property provides an ideal canvas for creating a diverse range of storefronts, catering to many businesses. Its strategic placement and visibility from the terminal's departure area make it a prime location for ambitious commercial ventures. Don't miss out on the opportunity to transform this extensive property into a dynamic business hub at the heart of Nosara Town!
