Property Details

Nanku Eco Village is a sustainable and eco-friendly community located in the beautiful Nicoya Peninsula. The owner is committed to preserving the natural environment and promoting a holistic lifestyle. Nanku Eco Village also emphasizes community engagement and social responsibility. It provides opportunities for residents to participate in educational programs, workshops, and volunteer activities that promote sustainability and support the local community. The neighborhood is surrounded by lush tropical rainforests, pristine beaches, and diverse wildlife, offering residents and visitors a tranquil and serene setting. The land is perched on a hillside overlooking the Town of Nosara, magical ocean views of the Pacific and the surrounding Nosara River valley. The intent of the architecture of Nanku Eco Village is to blend harmoniously with the surroundings, using natural materials and incorporating sustainable practices.
