Property Details

This beachfront property in Playa Linda is an exceptional investment opportunity in Costa Rica's South Pacific region. Here are some key points and considerations; A) Location: Playa Linda is described as one of the most beautiful beaches in the South Pacific of Costa Rica, boasting approximately 4 kilometers of extensive sand beach lined with coconut palm trees and offering privacy and wildlife. The natural beauty and popularity of the area suggest a strong appeal to tourists and potential guests. B) Legal Concession: The property comes with a full/legal concession valid for 20 years since 2017. With 13 years remaining for the concession's renewal, there is still considerable time to capitalize on the property's potential. C) Development Potential: The property permits the development of a hotel and restaurant, with a capacity of up to 60% of the property's size. This allowance presents a significant opportunity for investors interested in hospitality and tourism ventures.
