Property Details

Casa Manifesting – Oceanview & Jungle Retreat in Finca Montaña Set in the quiet, gated community of Finca Montaña, Casa Manifesting offers ocean, mountain, and endless jungle views in one of the most peaceful settings in the area. Surrounded by mature trees and daily wildlife sightings—often including playful monkeys—the home feels immersed in nature while remaining just 10–15 minutes from Playa Guiones. Recently refreshed, this residence sits on an expansive, landscaped lot with a warm mix of wood, metal, and glass. The entry level features two comfortable guest bedrooms, while the upper floor opens to a bright living area with floor-to-ceiling windows framing the vibrant green canopy in every direction. High ceilings and an open design connect the living room, dining space, kitchen, and outdoor patio seamlessly. A signature highlight of the home is the elevated pool on the second level, accessed by a bridge that links the social areas with the master suite.
