## Property Details

Welcome to the charming wooden Cabanas, conveniently located just a 5-minute drive from Carrillo Beach. Nestled at the end of a tranquil road and perched at a higher elevation, these Cabanas offer a refreshing breeze and a serene atmosphere. This unique setting makes them an ideal retreat for tourists exploring the area, especially considering the allure of Carrillo Beach itself. Each Cabana is thoughtfully equipped with its own kitchen, two bedrooms, and a bathroom. The Cabanas, elevated slightly from the ground to deter insects, have been meticulously maintained over the years. What makes this investment particularly attractive is the expansive land size, presenting the opportunity to construct additional structures such as another house, a pool, or a garden on the remaining undeveloped portion.
