Property Details

Discover this hidden gem in General Viejo: a 6966m² plot of land with unlimited potential for residential or agroecological development. With a flat and beautiful topography, this lot is located in front of a paved street, just 15 minutes from downtown San Isidro, offering convenient access. Additionally, it is 30 minutes from San Gerardo de Rivas and surrounded by many other mountains and recreational areas in the area, with educational centers and restaurants nearby. Immerse yourself in nature with direct access to an impressive river, providing a unique natural environment. This land is ideal for those looking to create their own sanctuary in a peaceful and natural setting. With significant potential, you could develop up to three individual lots, along with a common area for residents. Furthermore, this land offers opportunities for permaculture projects, with water sources and fertile soil.
