Property Details

Encanto is a truly magnificent country estate surrounded in all directions by unparalleled natural beauty. Set on a ridge in the center of a bowl of mountains tapering down to the sea, the property capitalizes on cooling ocean breezes funneling through the valley. With only one other house in the whole valley, it is truly an oasis of peace and tranquility, yet only a ten-minute drive to miles of nearly deserted, world-class beach. Both the main house and the guest house are constructed of the highest quality materials. The main house features three spacious bedrooms, four luxurious bathrooms, a generous wrap-around porch perfect for entertaining, a lower-level garage with a secure workshop, and a 30,000-gallon pool with stunning views. The warmth of teak and the flow of the floor plan give the house a welcoming, aesthetic quality that is so often absent in modern construction. The guest house is set 75 meters from the main house via a charming garden pathway, providing complete privacy for both houses.
