Property Details

Welcome to Villa Vela! After years of being an Airbnb guest in Nosara, Guiones we found the perfect beach spot. Our house is located as close as you can get to beach while also being close to restaurants (but not too close where you get tourist congestion and noise). Everything in this house revolves around the oversized pool. You will be plunging in and out all day and have dinner beside its shimmering lights. The house is modern, clean and safe (gated and monitored by security). Everything you need for the perfect, easy stay! The Space Villa Vela offers you two incredibly comfortable bedrooms, each with its own bathroom and air conditioning. Perfect for you and your family, the house features two queen-size beds and one bunk bed, ideal for a family of up to 5. The master bedroom includes a stunning outdoor shower, perfect for relaxing and enjoying the sounds of nature (birds and howler monkeys).
