Property Details

Cabinas Corazon de Tamarindo is a great family compound featuring two homes and four apartments and located just two miles from Playa Tamarindo, one of Costa Rica's most active tourism hotspots. With a spacious half acre lot, this multi family property features beautifully upgraded buildings, a serene pool and a charming rancho, all set within a lush tropical landscape. Current owners have decorated every space to create a an artistic, vibrant oasis. The main house, a 3-bedroom Caribbean-style classic gem with a remodeled kitchen, offers wonderful forest views. Upgrades including enhanced interior lighting, a new and modern wifi-enabled AC units in the master and living room. The home has recently been painted inside and out; it has digital locks for added security. The home's refinished deck is the perfect space for enjoying the outdoors. The second house is a 2-bedroom, 2-bathroom, solid concrete structure with vaulted ceilings.
