Property Details

Townhouse Loft, 720sqft inside AC + 160sqft master bedroom balcony and 252sqft roof terrace, sits on the hillside of Playas del Coco with a beautiful view of Guanacaste's dry tropical forest. A great feature of this single building, two townhouse design, is a sense of privacy. A well-designed kitchen greets you with ample counter space, making meal prep easy. The wood and glass dining table seats four comfortably. With a built-in, single unit washer/dryer, this kitchen is a multipurpose room for life's needs and necessities. Just off the kitchen is a warmly furnished living space, a cozy place to share stories of the adventures of the day. A full-size bath completes this floor. Take the stairs to the second-floor bedroom. The large double windows and sliding glass doors illuminate the room with natural light and is furnished with a queen size bed and large chest of drawers. The blue and gray tiles and classic design of the adjoining bath, creates a beachy feel to wake up to or refresh after a day in the life of a local or visitor to Costa Rica.
