Property Details

This exquisite luxury property seamlessly blends comfort, high-end design, and functionality in every aspect. It is perfectly suited for residential living, vacation retreats, or investment opportunities. The main residence features five spacious bedrooms, including a master suite with an expansive closet. The beautifully decorated open-concept living area incorporates the living room, kitchen, and dining space, all equipped with air conditioning. Additional amenities include a large laundry room, pantry, and well-paved outdoor areas. The equipped rancho is an entertainer's dream, accommodating up to eight guests, complete with a television, premium barbecue, and a fully stocked kitchen featuring a refrigerator and microwave. The standout feature of the outdoor space is a generous pool, surrounded by manicured gardens nourished by a private water treatment system. Also included are two independent apartments; The first apartment, situated on the second floor, boasts a terrace with views of the pool, two queen beds, a private bathroom, and a kitchen adorned with custom woodwork.
