Property Details

ONLY 2 SPECTACULAR OCEAN VIEW LOTS AT THIS PRICE – GATED COMMUNITY This large (5817m2 -1.44 acres) Ocean View lot is located in the prestigious gated community of Bellevue Isla Tortuga, located on the Southern Nicoya peninsula. This lot overlooks the uncrowded, sandy beach of Playo Organos with views out to the white sand island of Tortuga and the Pacific Ocean. This is the last of 2 lots available at this price, and only one of three lots available in the entire project of 30 lots. Enjoy the best of tropical living with sweeping Pacific Ocean views the extend to a panorama of the lush jungle forest below. There are several home designs to choose from with the price of the property and construction well-known in advance. The location is surrounded by first growth forests and it is common to see Monkeys, Deer, Coati, on the grounds. Flying above you'll see Macaws and other parrots, Pelicans, Hawks, Eagles and Frigate Birds to name a few.
