Property Details

Covering 76 hectares (188 acres), this extraordinary estate boasts around 80% pristine rainforest, rich in biodiversity, with the remaining 20% of cleared land ideal for sustainable development or eco-conscious living. Highlighted by Forbes online magazine, this area is regarded as one of Costa Rica's remaining true eco-frontiers, attracting eco-conscious travelers in search of luxury off-the-grid experiences, exceptional wildlife encounters, and sustainable tourism opportunities. This incredible property includes 76 hectares (188 acres) of titled land in Drake Bay, a rare and valuable gem in Costa Rica. Perfect for an ecolodge, conservation project, or a luxury sustainable retreat. Located just 1.5 miles from the beach, offering a seamless combination of jungle and coastal access. Stunning ocean views and an untouched natural landscape. Home to a 100-foot waterfall, the largest in the area, accessible by horseback and guided nature tours.
