Property Details

Nestled within the privileged embrace of the Manzanillo Wildlife Refuge, lies Casa Blue—an adorable two-story cottage that epitomizes the allure of sustainable living and privileged lifestyle. This charming property offers a unique opportunity to own a slice of paradise within a protected natural haven, renowned for its breathtaking biodiversity and tranquil atmosphere. Casa Blue itself is a testament to a low impact design, blending seamlessly with its lush surroundings. The ground floor welcomes with a well-appointed, enclosed kitchen and open-floor living area, designed to foster relaxation and connection to nature. Ascending to the upper level, there are two comfortable bedrooms, a shared bathroom, and a delightful porch. This elevated vantage point offers serene views of the surrounding nature, a perfect spot to observe all the jungle's flora and fauna. The true value of Casa Blue extends far beyond its charming structure.
