Property Details

Discover an exceptional opportunity at Corona del Mar, where ocean and sky converge in a seamless horizon. This elegant 4-bedroom, 3-bath villa offers over 2,800 sq ft of refined tropical living, perched above Playa Ocotal with sweeping views of the Pacific and surrounding mountains. Step inside and experience light-filled spaces, breezy open layouts, and multiple balconies designed to capture every angle of the view. Blending the privacy of a standalone residence with the convenience of a condominium, this home was designed for both relaxation and entertaining. Interior Highlights Four Bedrooms – including a spacious primary suite with walk-in closet and spa-inspired bath. Three Bathrooms – thoughtfully designed with quality finishes. Modern Open-Concept Living – dining area, brand-new kitchen, and high-end appliances. Elegant Furnishings & Finishes – move-in ready, with timeless design details.
