Property Details

Custom-Built ECO Thermal 3-Bedroom Home with Pool & Solar Power on 2.5 Acres This unique property blends comfort, sustainability, and natural beauty. The home is fully powered by an independent solar energy system, keeping monthly electricity costs to a minimum. Nestled on 2.5 acres of landscaped grounds—with lush gardens and untouched rainforest—this property offers both tranquility and adventure. Inside, the home comes fully furnished with high-quality pieces and includes thoughtful details throughout. The spacious kitchen features abundant pantry storage, and there's even a dedicated office space for working from home. Below the main living area, you'll find a large covered parking area, two individual storage rooms, and the battery bank with solar inverter systems. Outdoor Features: • Separate BBQ and entertaining area • Large chicken coop & greenhouse • An abundance of exotic fruit trees • Secure fencing, making the property fully pet-ready It's not just people who love it here—troops of monkeys visit daily to enjoy the ripe bananas! Prime Location: • Only 12 minutes to the scenic Bay of Golfito • 15 minutes to the vibrant, growing community of Río Claro Whether you're looking for a family home, a sustainable retreat, or a tropical getaway, this property offers it all.
