Property Details

Escape to nature and build your dream home or retreat on this beautiful 15,567 m² (3.85-acre) property tucked into the lush hills of Punta Mala, just ten minutes south of Ojochal. This exceptional parcel blends privacy, natural water, ocean views, abundant wildlife, and accessibility—offering everything discerning buyers seek in Costa Rica's Southern Zone. Southern-Facing Ocean and Mountain Views The property enjoys broad southern exposure with a dramatic panorama that captures both the Pacific Ocean and the forested mountain ridges rising inland. The combination of coastal and highland scenery creates a perfect visual balance—ideal for a home that celebrates Costa Rica's natural beauty and changing tropical light throughout the day. Multiple Building Sites & Gentle Terrain The land features a large, ready-to-build main site that can easily accommodate a spacious residence, pool, and generous outdoor living area.
