Property Details

Perched above the Pacific in the exclusive Costa Elena development, Casa Lagom is a one-of-a-kind tropical residence where modern architecture meets coastal serenity. Designed by the celebrated Saballos Architects, this home was envisioned as a balance between sleek contemporary lines and the organic warmth of Wabi Sabi design principles. The result is a refined yet inviting retreat in the heart of Guanacaste. The home unfolds across two levels with soaring ceilings, open-plan living spaces, and dramatic use of natural light. Cane-lined ceilings and automated window shades frame expansive views of the ocean, while artisanal Guanacaste wood finishes add richness to every room. Each of the five spacious en-suite bedrooms overlooks the sea, ensuring unforgettable views from dawn to dusk. Casa Lagom is equally suited for entertaining and private relaxation. A dedicated entertainment lounge, Samsung 4K TV screens, and a pool table bring leisure indoors, while expansive terraces open to a private infinity-edge pool, outdoor shower, and shaded dining areas.
