

1,260 sqm Ocean View Lot | Santa Teresa

\$475,000

ID: 25540

📍 Santa Teresa, Puntarenas

Property Type: Property • size: 1260 sq m •

- Status:
- Mountain Properties
- Ocean View

Property Details

This 1,260 sqm ocean view lot is located in one of Santa Teresa's most desirable areas, offering beautiful views of the Pacific Ocean along with the surrounding natural landscape. Its size and location make it ideal for developing a high-end private residence designed to maximize ocean views and coastal breezes. The property offers privacy and tranquility while remaining close to beaches, dining, and local services. An excellent opportunity to acquire an ocean view lot in Santa Teresa, whether for investment or a long-term residential project.
