Property Details

This stunning Ocean view home is set on the hills in Playa Lagarto Eco Development. Overlooking the valley and dry tropical jungle below. This house was started and almost brought to completion, it just needs your final touch and details. Price to sell for a buyer to make this their own tropical paradise. Concrete build, steel roof, One full Bedroom with an additional room to be used as an office or second bedroom. Pool has been concrete formed and lined in but will need tiles to pump to complete it. Lots of windows and light coming, great layout and design, beautiful tiled floors, kitchen installed (no Appliance) Bathroom Installed, Front entry is plumbed and vented for washer and dryer. Come make this beauty yours and enjoy a stunning life in Costa Rica or complete and use it as an AIRBNB rental. Lagarto Beach is only minutes away driving down the hillside. Location is also close to Marbella, Venado and Junquillal beaches.
