Property Details

A PRIVATE CARIBBEAN LIFESTYLE ESTATE WITH ITS OWN PRIVATE GOLF COURSEAn ultra rare ocean view luxury compound rising above Costa Rica’s southern Caribbean coast, personally curated and positioned as one of the most distinctive private estates in the region. The property features a professionally integrated six-hole golf course woven naturally into the landscape, designed with seven tee boxes at the signature No. 4 green complex to allow a variety of play combinations that create a full nine hole golf experience.Sweeping turquoise sea views, preserved tropical forest, and expansive grounds give the estate the atmosphere of a private boutique resort sanctuary.Offered as a true legacy property, this extraordinary estate overlooks the protected beauty of Cahuita National Park, delivering uninterrupted Caribbean panoramas, lush jungle canopy, and a level of privacy and land scale that is becoming nearly impossible to replicate along the coast.
