Property Details

Positioned in the hills above Montezuma, this expansive estate enjoys panoramic Pacific Ocean views framed by dense jungle canopy. Set on over 8,500 m² of land, the property is surrounded by mature tropical landscaping that enhances privacy and creates a serene, retreat-like atmosphere. The main residence is designed to embrace light, airflow, and unobstructed views. The primary suite features high ceilings, sweeping ocean views, and a spacious ensuite bathroom with double vanity and double shower. A secondary room currently used as an office can easily function as a children's bedroom or additional guest space. The home also includes a half bathroom, large utility/laundry room, and generous built-in storage throughout. The open kitchen and living area flow seamlessly onto the main terrace through large sliding glass doors, creating an ideal indoor-outdoor living experience. The terrace comfortably accommodates dining for up to ten guests and includes an outdoor bathtub and shower, offering a private wellness-inspired setting with sunset views over the jungle and ocean.
