Property Details

Hacienda Nosara is a private, quiet jungle-beach estate perched on a large, elevated lot that captures constant cool breezes and a nature-friendly atmosphere. The property comfortably accommodates 11–18 guests across a three-bedroom main house, two fully equipped studio apartments, and two elevated treehouses, offering both communal gathering spaces and private retreats for families, groups, or retreat guests. From the elevated terraces and outdoor living areas you'll enjoy blue-water ocean views and a short walk to the peaceful, uncrowded North Pelada beach. The grounds are lush with native vegetation, creating an immersive tropical experience while maintaining easy access to sand and surf. Indoors and out, the layout emphasizes indoor-outdoor flow—shaded verandas, breezy dining areas, and expansive patios make entertaining, yoga, wildlife watching, or simply relaxing effortless. Hacienda Nosara includes a saltwater swimming pool, sauna with cold plunge for wellness and recovery, and fast, reliable Wi-Fi.
