Property Details

Lago de Palma 58 is a refined 4-bedroom, 4.5-bath home located inside Hacienda Pinilla, one of Guanacaste's most established gated resort communities. Positioned within walking distance to the beach and only a short drive from the Beach Club, the property offers a comfortable blend of privacy, modern design, and easy access to some of the area's best lifestyle amenities. The home's architecture combines crisp white exterior walls with dark wood details, generous covered terraces, and a strong connection to the outdoors. Both levels include shaded spaces designed for relaxing, dining, or entertaining, allowing residents and guests to enjoy the warm coastal climate throughout the day. Tropical landscaping, mature trees, and carefully maintained gardens surround the residence, creating a peaceful and private setting. Inside, the main living area feels bright, open, and welcoming. The living room, dining area, and surrounding garden views come together through large sliding glass doors that bring in natural light and create an easy indoor-outdoor flow.
