- New Construction

Property Details

Discover Sanara, a thoughtfully designed residential community within Reserva Conchal, where modern living meets a strong commitment to sustainability and environmental stewardship. This new phase introduces a limited collection of homes designed to coexist harmoniously with the surrounding landscape, prioritizing low-impact construction and long-term ecological balance. A Limited Collection of Homes: Phase II features just 27 private residences set on generously sized homesites ranging from approximately 1,500 m² to over 2,200 m². Buyers can choose from a selection of well-designed floor plans, including both standard and larger deluxe options, all thoughtfully created to maximize comfort, privacy, and connection to nature. Each home includes a private pool, with the option to incorporate a detached guest casita across all models. Homes at Sanara blend contemporary tropical architecture with functional, open layouts.
