The layout is one of the condo's strongest features. Each bedroom is thoughtfully separated and designed with its own ensuite bathroom, creating excellent privacy for owners, family, and guests. The open kitchen, dining, and living area serves as the central gathering space, with generous proportions that make the home feel comfortable for both everyday living and relaxed entertaining. A large covered terrace extends the living space outdoors, offering the perfect setting for morning coffee, outdoor dining, or unwinding after a day at the beach. Fully furnished and designed for low-maintenance ownership, this residence works well as a full-time home, vacation property, or income-producing investment.
