Property Details

A Majestic 385-Acre Ocean View Unique Parcel – Dozens of Homesites! A pioneering Costa Rican family, for the firsttime, is offering this incredible homestead for sale. The topography gently rises from sea level, laced with accessible roads, and providing dozens of world-class ocean view parcels overlooking the blue Gulf of Nicoya. This large parcel was professionally appraised at over \$8 Million Dollars. There are already 28 segregated lots with ocean views and many, many more stretching across this immense property, 154 Hectares, 385 Acres. Springs provide water in numerous locations and electric service borders the land on many sides. Nearby there are restaurants, paved national highway and ferry service to the mainland. This is an opportunity to create a community of deluxe homes and much more. Please call or write for more information.
