Property Details

Luxury Ocean View Home Surrounded Rainforest in Ojochal Located ten minutes from downtown Ojochal, in the back of a gated community, this newly finished luxury home is very private. Offering spectacular white-water ocean views at an elevation of nearly 1000ft, the climate is cool and fresh. In addition to the home, there is a second ocean view lot that is included in the package! The setting at this property makes it unique. The property consists of two ocean-view lots being sold together. To ensure privacy, the owners bought two lots. The house was built on the upper lot, which is located at the back of the development. Behind the house are untouched jungle-covered mountains full of wildlife. The Avancari gated development offers residents a secure environment in a beautiful, secluded zone behind the charming town of Ojochal. All properties are 1.25+ acres, many of which have luxury homes.
