Property Details

Nestled in the heart of Hone Creek on Costa Rica's laid-back Caribbean coast, this flat, fully usable 1,299 m² lot offers a rare combination of everyday convenience and tropical living, at a price point that still makes sense for investors and homebuilders alike. The location is genuinely practical: steps from the area's main gas station, within walking distance of multiple supermarkets, schools, and public transit, and just minutes from the region's most beloved beaches. Everything a resident or tenant needs is within easy reach, which translates directly into rental appeal and long-term value. The lot itself is ready for building, with level terrain, generous square footage, and no wasted space. Whether your vision is a private Caribbean retreat, a multi-unit rental income property, a commercial or mixed-use project, or simply a strategic land hold in a community that continues to attract attention, this property fits the brief.
