Property Details

Welcome to Casa La Bendición—an exceptional 4-bedroom retreat nestled in lush surroundings of Ojochal, where nature and refined living exist in perfect harmony. From the moment you arrive, a sense of tranquility takes over. A long, private driveway winds through vibrant tropical flora, opening to generous parking and a double garage—setting the tone for the space and privacy that define this remarkable property. Step inside and you're immediately captivated by the rich character of the home. Locally sourced hardwoods, handcrafted doors, custom cabinetry, and detailed ceilings showcase true artisan craftsmanship, all impeccably maintained with evident pride of ownership. The expansive chef's kitchen is both functional and inviting, offering abundant storage, quality appliances, and a seamless walkout to an oversized dining area—perfect for gathering, whether indoors or alfresco. The light-filled living room flows effortlessly to the outdoor spaces, where an oversized terrace and sparkling pool create a resort-like atmosphere.
