Property Details

Located in Puerto Carrillo, just minutes from the beautiful shores of Playa Carrillo, this unique property consists of two consecutive lots totaling 2,166 m², offering privacy, flexibility, and excellent potential for both residential living and future development. Positioned one behind the other, the properties benefit from separate access points. The rear lot, accessed from a secondary side road, contains the existing improvements, while the front lot, with direct access from the main road, remains undeveloped, creating an excellent opportunity for future expansion, an additional home, rental units, or simply preserving it as an investment. The main residence is designed for comfortable tropical living and features 2 bedrooms, 1 full bathroom, and both indoor and outdoor kitchens, ideal for entertaining and embracing Costa Rica's open-air lifestyle.
