Property Details

Set high above the Gulf of Papagayo, Punta Cacique stands out immediately as one of Guanacaste's most remarkable coastal settings. Etched into the peninsula and surrounded by calm, swimmable waters, forested hills, and dramatic elevation, this 600-acre master plan community offers a rare sense of privacy, beauty, and connection to nature. Just north of the Nicoya Peninsula, one of the world's five Blue Zones, Punta Cacique reflects Costa Rica's spirit of well-being, balance, and unhurried coastal living. The debut collection of ten Estate Homes marks the first opportunity to own a private residence within this exceptional community. Positioned along the higher points of the peninsula, each home is oriented toward its own stretch of coastline, with sweeping Pacific Ocean views and seamless access to the first Waldorf Astoria resort in Costa Rica. From the final approach along the ridge, the landscape reveals cinematic flashes of ocean between the trees, with long, uninterrupted views that shift beautifully throughout the day.
