Property Details

Nestled in a lush tropical setting, this 951 m² homesite offers a rare opportunity to build your dream home surrounded by nature while enjoying beautiful ocean views. Elevated above the valley, the property captures refreshing ocean breezes and overlooks an expansive canopy of tropical forest with the Pacific Ocean in the distance. A prepared building pad is already in place, making it easy to begin construction while preserving the mature trees that provide privacy, shade, and a true connection to Costa Rica's natural beauty. Whether you're envisioning a private residence, a vacation getaway, or an investment property, this lot offers the perfect balance of tranquility, scenic views, and development potential. Wake up to the sounds of tropical wildlife, unwind with spectacular sunsets, and experience the peaceful lifestyle that makes Costa Rica's Pacific coast so desirable. **Property Highlights:** 951 m² lot Beautiful jungle and ocean views Elevated homesite with natural privacy Prepared building pad Mature tropical trees Ideal for a private residence or investment opportunity
