Property Details

A Rare Ocean-View Estate on Costa Rica's Nicoya Peninsula | Sky Haven RanchHidden in the hills above Tambor, Sky Haven Ranch is an extraordinary private estate where expansive land, dramatic ocean views, and refined architecture come together in one remarkable setting. Encompassing approximately 37 hectares (91 acres), the property offers the rare combination of true seclusion and convenient access, with Tambor's airstrip only 3 kilometers away, the main road approximately 600 meters from the estate, and the Pacific Ocean within easy reach.From its elevated position, the property commands an exceptional outlook across the Bay of Tambor. On exceptionally clear days, the coastline stretches toward Jacó in the distance, creating a remarkable sense of scale and openness. Yet the view is only one part of the experience. The estate is immersed in the living landscape of the Nicoya Peninsula, surrounded by mature vegetation, native wildlife, rolling hills, and the quiet rhythm of the tropical forest.
