Property Details

Seahorse is a beautiful, secluded and private luxury gated estate. This nearly 2-acre parcel is nestled in the pristine La Josephina valley, a few minutes' drive from the vibrant beach town of Tamarindo. The sparkling waterfall which flows into the elegant swimming pool is the center piece of this amazing property, that beckons you into the refreshing waters. The main house has 3 spacious bedrooms with ensuite baths, and there are two detached wings with 9 "casita" rooms, each with ensuite baths. Up to 22 guests may be comfortably accommodated, in addition to the main house. There is a large, covered patio "Rancho" with full kitchen for dining al fresco, plus a 4th building with a workout room, a one story apartment, and a yoga studio/workshop. The property has its own well, in addition to public water, making it easy to maintain the lushly landscaped grounds. Abundant trees grace the perimeter, with a wonderful large grove creating a cool, shaded oasis at the back of the property.
