Property Details

Tres Hermanos is a newly renovated private villa, 2 minutes away from having sandy feet on your way to the waves on the main surf breaks at Playa Guiones. It has 4 bedrooms, each with its own private bathroom and closet, and an extra studio apartment with its own bathroom and kitchen; comfortably sleeping 10 people. Enjoy a tropical and quiet setting, while being a short walk to all the attractions in town. Located in the prestigious K Section in Playa Guiones, one of the best locations in town, few steps can take you to the beach or up the hill into the mountain. Enjoy being as close as you can to the beach, but with the town right around the corner where tacos, sushi, fresh fruit, coffee, and coconut water are just a few of the things that you can find. The renovation of this house was finished in November 2020, the idea behind the renovation was to create a place where you can relax and enjoy the slow pace of this beautiful corner of the world while being a few steps away from great waves on one of the most constant beach breaks in the country.
