Property Details

In today's world, we hear so much about the gift of experiences, and people placing high value on authenticity and sustainability when they travel. Finca Rosa Blanca Coffee Farm & Inn, a true pioneer in the Costa Rican tourism industry, has made a name, a business, and a legacy out of sustainable, authentic, cultural, and gastronomical experiences well before any of these terms became catch phrases. A mainstay in the mountain community of Santa Barbara de Heredia, the story of Finca Rosa Blanca started over 30 years ago when the current owner's family purchased the property. Their vision, now a vibrant reality, was to create a world class, and world-renowned destination that provides a luxury boutique hotel experience, immersed in the Costa Rican coffee culture, whose essence truly breathes hospitality, community, and authenticity. Located approximately 20 minutes from the international airport, the convenient access allows for incredible ease for visitors without sacrificing the sense of arriving at a truly beautiful escape that one feels when entering the property.
