Property Details

Welcome to Casa Bougainvillea! Located just a four-hundred meter walk from Nosara's southern-most beach, Playa Guiones, Casa Bougainvillea is a four bedroom, three & a half bath home constructed around a wonderfully relaxing pool, amidst a garden of lush tropical plants and palms. The house can accommodate ten comfortably. Set back into the jungle away from the road, the house offers privacy and tranquility for those families or groups who want to get away from it all. Take a dip in the pool or even swim a few laps, kick back and relax on one of the spacious shaded terraces, or sunbathe on one of the poolside chaise lounges. Designed with multiple families in mind, the house is actually two buildings flanking a 15-meter pool with a soothing infinity edge waterfall. It was designed for optimal rest and relaxation! With a nod to cozy and casual beach houses, the rooms were decorated with the soothing colors of the sand and sea.
