Property Details

Quepos Arco Iris Castle has a long history as one of the most iconic nightclubs in the Central Pacific Area for over 20 years. As you enter into the town of Quepos, this 3 story building immediately stands out with its peculiar architecture, mirroring a castle with its own river crossing beneath the entrance. Despite not working as a disco club anymore, Quepos Arco Iris Castle boasts vibrant ocean views that make it a great business opportunity for anyone trying to invest in the heart of Quepos. Quepos Arco Iris Castle's ground level can be accessed from both the main entrance of Quepos and Manuel Antonio, as well as a secondary public road. There's a caretaker apartment within the grounds, a covered BBQ area alongside the main building, and, naturally, the main structures that used to host the nightclub. These latter can be easily repurposed for a restaurant, a food court, a shopping plaza, or a renewed bar.
