This modern, open floor plan vacation villa is located in the highly desirable EE section of Las Huacas, known as the "Beverly Hills" of Nosara, overlooking the Guiones surfing beach. It is near the end of a privately guarded, quiet, dead end, mostly paved road with no traffic or dust. The property is perched above everything, affording jaw dropping 180 degree ocean views and mesmerizing vistas of the jungle canopy below. The meticulously landscaped grounds have been designed for privacy and seclusion. This home has huge ocean views from every room! It has recently been fully remodeled and interior designed with all new custom furniture including two beautiful kitchens and two living spaces. Both have oversized sectional sofas for entertaining and relaxing in comfort. There is a 75 inch flat screen tv and a full Sonos remote controlled surround sound system with 10 separately controlled speakers throughout the downstairs living area and master bedroom.
