Detalles de la propiedad

Discover a remarkable 71 acre property in Los Mogos, Osa Peninsula. Ideal for residential, hospitality, and commercial development, this plot offers public road frontage, water and electricity access, stunning views of the Golfo Dulce and Sierpe/Terraba River Valley, year-round springs, mature forest, pasture lands, and a connection to extensive reserve lands. Nestled in Los Mogos, this property boasts breathtaking views of the Golfo Dulce and Sierpe/Terraba River Valley. With strong flowing year-round springs, it offers opportunities for sustainable agriculture, eco-friendly initiatives, and water-based activities. Featuring a mix of mature forest and open pastures, the land is teeming with biodiversity, making it perfect for eco-tourism ventures. It seamlessly connects to vast reserve lands, enhancing privacy and providing access to natural wonders. The generous size allows for diverse development options, from elegant villas to cozy cabins or a small hotel.
